EXPERIENCE

Association of Baptists for World Evangelism • Harrisburg, PA • Summer 2016

Photographed classes, events, and conferences for use in marketing materials, social media, etc. Edited and keyworded images for use in online image library. Provided videography and photography on an assigned story, and created a video story for use in marketing and missions fundraising. Traveled to Togo and worked with missions photographers.

Marine Corps University Press • Quantico, VA • Summer 2015

Took and selected photographs for use in design pieces. Designed the university press catalog, other publications, and any needed custom graphics. Copy edited publications for design-related errors such as bad kerning, orphans, widows, etc. Also helped with other clerical and design tasks as instructed.

Photographer for Oasis Church • Amherst, VA • 2015-2016

Photographed events, small groups, and church services for use in the church's social media and marketing materials. Also conducted spec shoots for use in the church's future marketing materials and website.

Club Sports Concessions • Liberty University • 2014-2016

Worked in customer service, as well as preparing food for customers. Also helped in keeping the concessions stands clean, and running smoothly. Occasionally helped with inventory, and the restocking of various stands around campus.
